Calfee Design requires a paid in full invoice before performing any work. Any item left with Calfee Design for more than 90 days without action from the customer will be considered abandoned and become property of Calfee Design to dispose of as it pleases. Not all parts will be compatible with a standard DI2/EPS BarStem and may require additional carbon. Upon receiving your parts, Calfee will evaluate the structure for any problems that may require additional DI2/EPS work or solutions.
